Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §1.56, applicants hereby submit to the USPTO copies of three (3) references listed on the enclosed PTO Form-1449. These three references were cited during the prosecution of the Japanese counterpart application. Copies of the references (and their English abstract) are enclosed for the examiner's reference. Although the references are not deemed to negate the patentability of the present claims, applicants respectfully request that these references be made of record in the subject application by the Examiner's completion and return of the PTO Form-1449.

No fee is believed to be due for this IDS because it is being filed together with this application. The Commissioner is nevertheless authorized to charge any required fees to our Deposit Account No. 50-2215, under Order No. A5868.0031.

Dated: August 26, 2003

Respectfully submitted,
